Train, car collision, 3 dead

Two brothers from Mundelein and a woman from Paddock Lake, Wis. were killed at 1:57 a.m., Friday, March 6, when the 1978 Ford LTD they were riding in was struck by a Soo Line train, at the crossing on Rte. 83, north of Antioch.

Pronounced dead at the scene of the accident were, the car's driver, Lonnie Summers, Jr., 22, and his brother, Robert Summers, 19, both of Mundelein and also the fiancée of the older brother, Maraloy Berglund, 18, a twin from Paddock Lake, Wis.

The three were reportedly headed into Antioch after work at their part-time job at a bar, Top Deck East, located on Hwy. 50 in Wheatland, Wis.

According to a spokesman from the Lake County Sheriff's Dept., the train's engineer, Steve Morke, Fond du Lac, Wis., said that

the 15-unit train was traveling at about 35-40 miles per hour when he sighted the car.

He said that he immediately applied the air brakes while blowing the whistle. The train is estimated to have traveled 750 feet before it came to a stop, striking the car on the driver's side and dragging it 80 feet.

The girl's aunt and also the employer of the three, Charlotte Giovino, Bristol, Wis., said that the driver of the car, Lonnie Summers, had just driven from West Virginia and was probably tired and didn't hear or see the train.

Lonnie Summers was born in West Virginia on June 25, 1958 and has been a resident of Mundelein for many years. He was employed by his father at Summers Carpet and Tile, Mundelein.

Robert Summers was born in Chicago, was also a Mundelein resident and had been employed in the family business.

Survivors of the two men include their parents, Lonnie and Delores; two brothers, Wayne and Roger; one sister, Theresa and their paternal grandmother, Dorothy Summers, Chicago.

Funeral services for the two men were held at Kristan Funeral Home, Mundelein, on Sunday, March 8, with interment immediately following at Ivanhoe Cemetery.

Maraloy Berglund was born on Oct. 15, 1962, in Milwaukee, Wis. and had lived in Paddock Lake for the last 13 years.

She was a 1980 graduate of Central High School and her survivors include her parents, Kenneth and Marian Berglund; a brother, Kenneth; five sisters, Gail, Robbin, Marilyn, Toni and Cathy; her maternal grandfather Ed Glusinski, Rosholt, Wis. and paternal grandmother, Clarinda Berglund, Wittenberg, Wis.

Funeral services were held on Sunday, March 8, at Strang Funeral Home, Antioch, interment was on Monday, March 9, at Evergreen Rest Cemetery, Marathon, Wis.

Candidates to give views

At noon, Thursday, March 19, at Harbor Ridge County Club, the general public, guests, employees, the ladies of members and members of the Antioch Rotary Club of Antioch, along with the Antioch Chamber of Commerce and Industry will have a joint meeting to meet and hear the Antioch mayoral candidates speak.

The six mayoral candidates, Philip Burke, Henry Gillmann, Bruce Jablonski, Mayor Michael Haley, Raymond Toft and Robert Wilton have been invited to share equal time in the program following the luncheon served promptly at noon.

Wm. Barr, of the Barr Funeral Home of Antioch, general membership chairman, with his committee, that includes persons of Rotary and Chamber membership, has completed the agenda and has submitted the topic area that the candidates will be asked to comment on in their presentation to the

Wilton: 'No tax raise'

BY GLORIA DAVIS

Robert Wilton, one of the six candidates for the mayor of Antioch in April 7's election, has practical job experience on his side, having served in that capacity from 1973 to 1977.

Wilton, unlike another mayoral candidate, Ray Toft, was not beaten out of the top Antioch seat, since he chose not to run for reelection in '77.

During the four years that Wilton was the village's mayor, he received an annual salary of \$1,200, but if elected, a scant four years later, will be slated to receive \$11,000 as ordained by the ordinance passed by the present village board on March 2.

Although he has not signed any written agreement to the fact, Wilton, like Toft, has said that he would be completely satisfied with the \$4,000 mayoral salary that had been slated to go into effect after April 7 until the board passed the new ordinance, and would turn the balance back to the village.

What will Wilton do if elected in the spring balloting?

Maybe this can best be judged by what he did when he last held the job.

When Wilton came into office in 1973, the balance in the village account at the end of that fiscal year was \$556,026 and disbursements for that year totaled \$465,138.

When he left office in April 1977, the balance in the village account, which includes checking and savings, was \$565,088 and the total disbursements that year were \$909,785.

When asked what was accomplished during his administration, Wilton's answers include: the adoption of the first com-

prehensive land use plan; acquiring funds for the completion of the sewer treatment plant; the installation of storm sewers in Oakwood Knolls; the Sequoit Creek Project; the origination of the village park committee; the hiring of the first park director; the development of Jensen Park and Main St. Mini-Park; installation of tennis courts at ACHS in cooperation with the high school; the formation of the Bi-Centennial Committee that was responsible for the Hiram Butrick Saw Mill Project.

Wilton also claims to have had a hand in: laying the groundwork for industrial growth and development by setting guide lines for it with comprehensive plan; flood control, which includes the lowering of Main St. sewer tile; the development of mosquito spray program and the resurfacing of many streets in Oakwood Knolls, Anita St., Parkway Ave. etc.

He claims also to have been instrumental in developing an off-street parking plan that included a cooperative renovation program, adequate lighting, asphalt surfacing and tree planting and beautification.

Wilton also claims to have done these things by using available federal and state funds, with no additional tax raise to the residents of the village.

He also says that an ordinance requiring developers to contribute to the schools and the sewer plant and its expansion, was passed while he was in charge.

What will be in Antioch's future if Wilton has anything to say about it, besides the addition of \$28,000 to the village coffers, the

joint meeting and their guests.

The mayoral candidates were asked to be present at 11 a.m. before the meeting and to remain following the adjournment of the joint meeting at 1:30 p.m. to visit and answer any additional questions the public or members might feel that they would like more information on.

The chairman, Bill Barr and the committee have discussed areas suggested to them for the program: annexation; intergovernmental agreement with school and township; police department traffic flow; parking; law enforcement; zoning; multiple housing; village business manager; Lake County Sewer system; (with protection of present, cost of expansion); senior citizen program; state and federal grants for the village; future plans for the east side of Main Street; industrial development; Industrial Revenue Bonds; development of job opportunity; youth programs; projected budget of the village; retail business growth areas; commitment of sales tax revenue refunded to Antioch for the rehabilitation of

business with land for parking; industrial tax credit for new business and industry for job opportunity; budget projected general fund; and income (Sales tax revenue decrease).

The elected man April 7, in the village of Antioch's election will have a tremendous responsibility to direct the future of this recreation, residential, business and professional community for the coming four years.

The selection of this man can only be achieved by an informed public that will depend on his knowledge and judgment to achieve what is most beneficial for the people he will represent.

Barr requests that you make reservations by March 10, at the Chamber Office, 880 Main Street, Antioch, Ill.

The \$5 charge must accompany your reservation.

Do not deprive yourself and your friends of this opportunity to know the person and his views before you make the important decision on the 7th of April.

Letter To The Editor

Mayoral Candidates Rejects Salary Increase

Editor:

Now that the Village Board has taken official action regarding the raise in salary for the mayor, the time is appropriate for me to state my position.

I feel the \$11,000 base salary for the office of mayor is an arbitrary figure that was decided upon without any fact finding.

In talking to people of our community their concern do not necessarily lie with the dollar figure but more to how the figure was arrived upon. Under these circumstances I could not personally keep any base salary over \$4,000.

It would have been premature on my part if I had stated my position on the mayors salary any sooner. The salary could have remained at \$4,000 had the Village Board not raised it. Up until this point in time it has been purely conjecture by anyone.

BAR SEMINAR

The members of the Wills, Probate & Estate Committee of the Lake County Bar Association will conduct a seminar on Friday, March 20, at noon, at the Swedish Glee Club in Waukegan.

Along the way with ANNIE MAE

Congratulations to two of Antioch's finest female basketball players; Tracy Manuel and Chris Byrne, both of Antioch High School, who have been chosen to the Northwest Suburban Conference All-Conference Girls' Basketball Team.

See you all at St. Peter's Social Center, at 6:30 on March 28, at the dinner dance honoring this year's VIP, Irv Carey.

I hear that Bill Brook will be emceeing and the dancing will be done to the music of the Versalairs.

Jane Kish is also slated to entertain with organ music, and tickets are available either at St. Peter's rectory, or at the State Bank of Antioch, the First National Bank or the Antioch Savings and Loan.

News about Antioch's military sons include the fact that David J. Miles, son of Margaret Ann Marsh, is attending basic training at Fort Leonard Wood, Mo. and also the promotion of Bernard J. Smith, son of Helen M. Smith to the rank of major in the U.S. Air Force.

Smith is an aircraft commander at Beale Air Force Base in California.

Who was the Reverend seen with Bud Zukowski planning a first annual St. Joseph's Party?

Sorry, I hear that Gene Zininni lost a few more hairs when he read in this column that he was 67 instead of 65. Blame it on an unreliable source named Paul Maginot, Gene.

I hear that the Chamber and Rotary boys are paying no favorites at the luncheon planned to hear the mayoral candidates speak.

It seems that everybody, including the speakers have to pay for their lunch, even Henry Gillman, who I heard put up a little fuss about it.

It's getting close to the time when old Annie Mae, may have to look into retiring, so I'm going to be sure to attend the Individual Retirement Seminar sponsored by the State Bank of Antioch, on March 19, 7:30 p.m., to be held in the J. Ernest Brook Community Room at the bank.

Guess I'll have to call Customer Service or New Accounts, since reservations, made with them, are necessary.

What's this scuttlebut I hear about veteran Edgar Simonson thinking of retiring from the village board and Joe Vieth being mentioned as a possible appointee in his place?

I see where the Junior Engineering Technical Society, better know as the JETS, from Antioch High School, went down to Lake County College for an academic contest on Feb. 21.

Obituaries

Bernita Teague

Funeral services for Bernita A. Teague, 65, of Antioch, were held March 8 in Rolla, Mo.

Mrs. Teague died March 4 at Victory Memorial Hospital, Waukegan, following a long illness. She had lived in Antioch since 1959. She was employed as a legal secretary and executive secretary in various offices in Lake County. She was a member of the Antioch Loyal Order Of The Moose.

Survivors are her husband, Harold Ivan, who taught mathematics at Antioch High School from 1959 until his retirement in January, 1978; and one brother, Marvin Dickman of Rolla, Mo. She was preceded in death by one son, Robert in 1963; and by one brother, Clyde, in 1979.

Interment was in Rolla Cemetery. Donations may be made in her memory to the Antioch Rescue Squad. Local arrangements were by Barr Funeral Home, Antioch.

Lorenz C. Lass

Funeral services for Lorenz C. (Larry) Lass, 69, of Lake Villa, formerly of Antioch, were held March 7 at the Strang Funeral Home, Antioch.

Mr. Lass died March 5 at the Veterans Administration Hospital in North Chicago. He moved to Antioch in 1946. He operated Larry's Bait Shop at Grass Lake for several years before his retirement.

Survivors are two sons, Larry of Antioch and Wayne of Dangerfield, Texas; one brother, George of Lake Elsinore, Calif.; two sisters, Mrs. Ernest (Loretta) Troutman of Rolling Meadows and Elaine Lass of Chicago; seven grandchildren; and one great-grandchild.

Interment was in Wood National Cemetery, Wood, Wis. Contributions may be made in his name to the Lake Villa or Antioch Rescue Squads.

IDOT AWARDS

The Illinois Department of Transportation has awarded road improvement contracts valued at \$45.3 million for various projects throughout the state. The total value is for 52 projects on which bids were submitted during the January 23 bid letting.

CALL AHEAD

Since it occasionally rains in California and even freezes in Florida, Illinois Bell suggests that travelers phone ahead for weather conditions. Anyone can get a quick report on weather conditions in most major U.S. cities for the price of a one-minute call, according to Roger Hendrickson, Illinois Bell's Dial-It manager.

Women to hear review

The Antioch Woman's Club met on March 2 in the Community Room of the State Bank of Antioch.

The program was "Drama of the Clouds", weather sign posts by Alice Grimmer. She told about cloud formations and to watch for tornadoes and other weather signs.

The next meeting will be on March 16 at 1 p.m. in the Community Room of the State Bank of Antioch. The program will be a book review presentation given by Mrs. J. Arthur Sterrett.

No tax raise

(Continued from Page 1)

result of his keeping his promise, over a period of four years, to return \$7,000 of salary to the village?

Wilton says he would like to see any additional retail expansion, such as the controversial mall, connected with the existing shopping community.

He has suggested the back of the east side of Main St., in the Depot St. area, as a possibility.

He promises to seek Senior Citizen Housing only, under section 202, that he has been informed will have available funds this year.

Reopening the lines of communication between the village-government and the residents is also slated to be one of his aims, as well as cooperating with the Chamber of Commerce in the enticement of light industry to the village.

Wilton intends to use all the federal and state funds that are available.

Flood control is high on his list in areas like

Gary dr. and North Ave..

He sees a need for better control of traffic bottlenecks, giving the intersection of Main and Orchard Sts. as an example.

This could be done through the installation of a stop light or signs.

More street improvement is needed, he says while stating that, "We do have to look at the budget and see where we can erase some of the wasteful spending."

These programs will be established without putting additional tax burdens on the residents.

Although the cost prohibits the hiring of a professional business manager now, Wilton says that he would like to see a committee do thorough investigation, in the future, as to the possibilities of hiring a trained professional, most of whom have masters degrees in business management, and are better fitted than a full time mayor, if the village should ever prove to be in the need of this.

Cancer Crusade scheduled

The Lake County Unit of the American Cancer Society will conduct its 1981 educational and fund raising crusade during April and has designated the first weekend of the month as a time of prayer in area synagogues and churches for the conquest of cancer.

To prepare for the April event the leadership of the residential crusade in Antioch was called to a training meeting at her home by the community chairman, Mrs. William (Janet) Brook.

Announcing a \$6,500,000 crusade goal for the 1981 Crusade in Illinois, Brook stated that \$16,500.00 represented Antioch's portion of the Lake County Unit Crusade Goal of \$326,000.00.

"However, just as important as our financial goal, is the society's effort to reach the public with facts that can help them better

understand what they can do about cancer," Brook noted.

She emphasized that the "New Cancer Checkup Guidelines" are cancer related and that they are for people without symptoms.

The new publication points out that the approach to cancer control cannot remain static, and that our findings from research must be applied as soon as possible to bring the greatest lifesaving benefits, currently available to the public.

These new guidelines present clearly and concisely the checkup recommendations for both men and women will be distributed in April by 71, Antioch volunteers for the American Cancer Society.

Mrs. Herbert Gould, Lincolnshire, is Chairman of the Residential Crusade for the Lake County Unit of the American Cancer Society.

The Time Machine

50 YEARS AGO: MARCH 12, 1931

William C. Petty, Lake County superintendent elect, yesterday assumed that office by virtue of appointment by the board of supervisors, to fill the unexpired term of T.A. Simpson, who resigned the office to become assistant state superintendent. He was superintendent of schools in Lake County for 24 years.

Thirty-five Antiochites, including five Antioch High School instructors, the basketball team and about twenty enthusiasts were marooned in Waukegan for two days, Sunday and Monday, while the storm raged, and the roads remained impassable. The Karcher Hotel management arranged rates and meals so that even those who would have been forced to practice strict economy under ordinary circumstances, lived in regular hotel style. The music room was constantly at the disposal of the Antioch people, who enlivened the hours with songs, both old and new. Late Monday afternoon they followed in the wake of the snowplow on the Beleviere Road to Grayslake and then home on Route 21. The adventure was over.

Antioch High School basketball team took fourth place in the district tournament with Waukegan the champs, Libertyville second and Wauconda third.

In a recent examination of 199 grade school students the following results were tabulated: Pupils underweight, 29; pupils overweight, 40; pupil normal, 130. Since the previous examination, 13 have corrected defective vision, and 43 had tonsils and adenoids removed; however a number of defects still remain to be corrected, as listed. Vision, 62; tonsils, 98; adenoids, 95; glands, 90; posture, 2; skin, 2; heart, 1; and other defects 2.

30 YEARS AGO: MARCH 8, 1951

Play by play descriptions of the state high school basketball tournament will be carried by a radio network which includes WKRS, Waukegan.

Only after much discussion did the village board pass a resolution Tuesday evening empowering President James McMillen to sign the mutual aid agreement pact in the Chicago Metropolitan area.

The hearing for George McNutt, factory worker, Highland Park, accused of posing as a deputy sheriff and attempting an extortion from Mr. and Mrs. Ray Scott, Antioch, has been set for March 20 in Waukegan.

Known professionally as the Lenaud sisters, Evelyn and Hazel Kleinod, daughters of Mr. and Mrs. Charles Leinod of Crooked Lake Oaks, are home from New York taking care of their mother who has been ill. They last appeared at the Hickory House but have toured the large cities of the nation.

The 1936 Chevrolet sedan of Ben Drury, Lake, St., was damaged by fire last evening while parked at the side of the Antioch Theatre. Boys who discovered smoke and flames in the front seat of the locked car, broke a door glass in an attempt to extinguish them. The fire department completed the job of putting out the fire before the owner returned to the car.

10 YEARS AGO: MARCH 11, 1971

Significant events in Illinois history will be recreated on the screen in a colorful slide presentation at the March 18 meeting of the Rotary Club of Antioch. Narrator for "Illinois Heritage" will be Ted Flanagan of Lindenhurst, a member of Illinois Bell Telephone's Volunteer Speakers Bureau.

Don J. McMahon, son of Mrs. Carol McMahon of Antioch, has been named editor of "Charybdis," the student newspaper at MacMurray College in Jacksonville.

PM&L in rehearsal

"Three of a Kind" is the next attraction to be offered at the PM&L Theater, 877 Main Street in Antioch.

The opening performance will be on Saturday night, March 28.

Subsequent presentations are scheduled for Friday and Saturday nights, April 3, 4, 10 and 11.

Also, there will be a matinee on Sunday afternoon, April 5. The Sunday matinee, a new PM&L feature begun only this season, is becoming increasingly popular among theater-goers.

"Three of a Kind" is directed by Don Beveroth of Paddock Lake. The show is a combination of three one-act plays, each dealing, in a different way, with problems of love.

The plays are "Lady of Larkspur Lotion," a section of "Lovers and other Strangers," and Brian Friel's "Losers." Together the three illuminate the many sides of love.

The talented PM&L cast includes Mickey

Mandel of Fox Lake, Lou Jones, Round Lake and Ann Marie Cina, McHenry, in "Lady of Larkspur Lotion;" Vickie Tolash, Libertyville, Larry Bersie, Antioch, Bruce Stamm, Round Lake Beach and Priscilla Gwinn, Waukegan, in "Lovers and other Strangers;" and Don Beveroth, Ann Marie Cina, Shirley Jensen and Ricky Apostol, the last two of Antioch, in "Losers."

All of these performers are stage veterans and many of them are well-known to Antioch audiences.

"Three of a Kind" promises to provide an interesting evening or afternoon, on the subject of love.

To see this show, remember to call 395-3055 to make your reservations.

Family bowlers take to Antioch lanes

The Annual National Family Bowling Tournament will be held at Antioch Bowl at 1 p.m. on Sunday, March 15 and again at 2:30 p.m. on Saturday, March 21 and at 1 p.m. on Sunday, March 22.

This tournament is open to two-person teams composed

of a parent, step-parent, or legal guardian bowling with a youth bowler. A youth bowler may enter twice with a different adult partner each time.

Bowlers shall use the highest average they held in any league as of Feb. 8, (at least 21 games). Bowlers

without an average shall use an average of 200.

The affiliate final round will be completed on or before April 26.

The Illinois State Championship Finals will be held on May 23, at Oak Forest Bowl, Oak Forest.

LEGAL NOTICE PROPOSED USE HEARING FOR REVENUE SHARING FUNDS

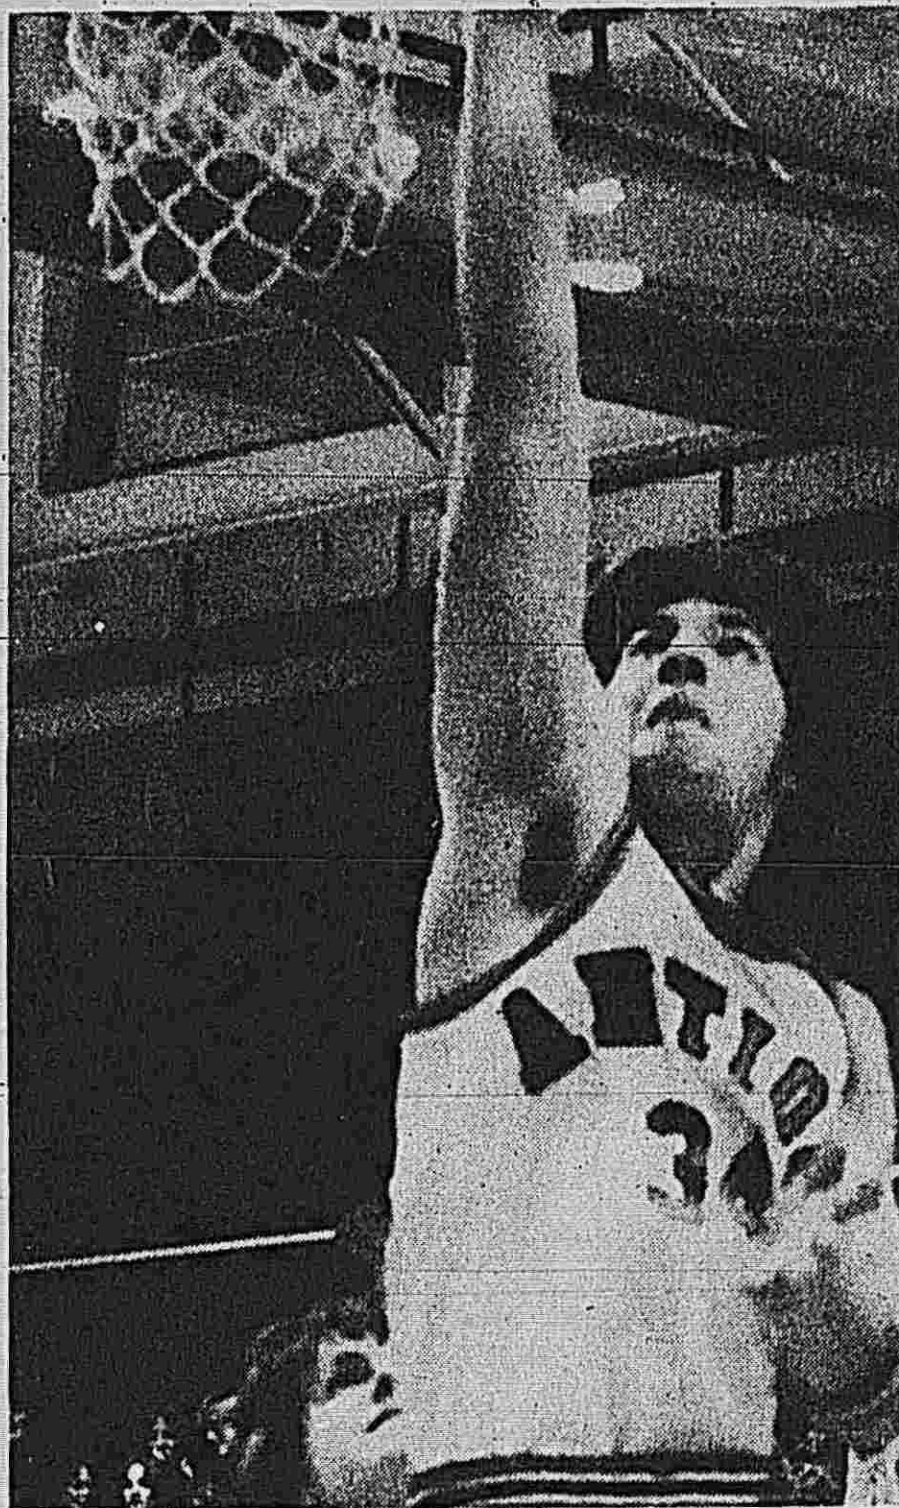

Notice is hereby given that a public hearing will be held at 7:00 P.M. on April 6, 1981 on the proposed use of Revenue Sharing Funds to be included in the budget for the fiscal year beginning May 1, 1981 and ending April 30, 1982 in the Village of Antioch, Illinois.

The amount of unappropriated entitlement funds presently in the Revenue Sharing Trust Fund is approximately \$72,000. The amount of entitlement funds expected to receive during the fiscal year is approximately \$65,550. All citizens attending the public hearing shall have the right to provide written and oral comments and suggestions respecting possible uses of entitlement funds.

The public hearing will be held at the Antioch Village Hall, 874 Main St. and will be open to all public participation.

By action of the Village Board of Trustees on March 2, 1981.

DEE MARAS

Maras China bound

Dee Maras, Antioch High School senior basketball forward has been selected by the Amateur Sports Fellowship to go to China under the Junior Olympic China Exchange Program.

The Amateur Sports Fellowship Midwest AAU Team will travel to the Republic of China August 10 thru the 27 and compete in a 32 Team "Challenge Cup," being the largest tournament ever staged. Each team will play eight to 12 games.

Maras, who is 6'6", 215 lbs., has been this year's Lake County leading scorer and outstanding rebounder, in the Northwest Suburban Conference, in which Antioch remains undefeated.

He was also voted most valuable player in the conference by coaches.

During the month of June, the ASF will host a boy's team from China for a two game engagement in Chicago and Northbrook.

Maras' coach is Roger Andrews of the Antioch Sequoit Cagers and Tom Williams, executive director of the Amateur Sports Fellowship, is the head coach for the boy's team that will be going to China.

Although Maras is excited about the opportunity afforded him, he says, "I just wish I could take the whole Antioch team with me!!"

The Amateur Sports Fellowship has agreed to participate in the largest International Junior Basketball Exchange Program ever!

This two part program will begin in Chicago in late June, and will end in late August, in the Republic of China.

The ASF has contracted to be the sole

Chicago representative for International Junior Basketball because the ASF is the largest and most experienced Junior Olympic Basketball Program in the United States.

The Republic of China National Boy's Junior Team will tour the United States for three weeks, playing in eight U.S. cities.

The team will play in Chicago against the Amateur Sports Fellowship sometime between the 22 and 25 of June.

The eight U.S. cities will send two teams each, (boys and girls) to Formosa to play in a tournament against each other and eight Chinese Junior Teams, during August 10 thru 27.

The format of the tournament will consist of two divisions (boys and girls). Within each division, there will be eight Chinese teams, and eight U.S. teams, of which our two Chicago teams are included.

Each team will play at least eight games, but no more than 12.

This two part program will involve 12-14 games.

The Amateur Sports Fellowship will send a 30 member delegation to Taipei, Taiwan, Republic of China, to represent the Chicagoland area in this, the largest high school-age international tournament ever.

This will be the second international tour for our Junior Boy's team.

In August of 1979, we were the last American basketball team to tour the Soviet Union.

The ASF has the honor of being the first organization to send a Junior Girls Basketball Team, from Chicago, on an international tour.

ACHS two miss state wrestling

Jeff Nieze, 98 lbs. and Ted Bessette 185 lbs., closed out the 1981 wrestling season with near misses in the state tournament.

Nieze, only a sophomore, lost a close 9-7 match in the preliminary round and was eliminated from competition when Lorne Garrett of Chicago Fenger lost his next match.

Jeff finishes the season at 30-9-1.

Senior Ted Bessette finishes the season by losing to two state champions.

In the first round Ted beat

Rich Central's Demetrius Harper in a close 5-4 match.

In the quarter finals Ted lost to this year's state champion Kevin Carlson of Glenbard East 1-0.

Carlson went on to win the state championship.

Bessette wrestled in the wrestle-backs for third place and pinned Maine East's Gary Tomal in 3:41.

To place in the state meet Bessette now had to face last year's state champion Dave Marshall of Proviso East.

Autism bowled over

The Antioch Jaycettes' Second Annual Bowling for Autism held Feb. 15 was a huge success.

The Jaycettes wish to thank the over 100 bowlers who turned out for the fundraiser and the many people who sponsored the bowlers.

Anyone who would like to make a donation to the Jaycettes' autism fund should send it to the Antioch Jaycettes, P.O. Box 254, Antioch 60002, or contact project chairman Ginetta Salonen at 395-2093.
